KISS the GROUND

"KISS THE GROUND" FILM SCREENING AND DISCUSSION

After the screening of "Kiss the Ground," join us for an insightful conversation and presentation from two local experts on regenerative farming. Learn how regenerative farming can help restore our environment, improve soil health, and promote sustainable agriculture practices.

*Hosted by the Montgomery Township
Environmental Advisory Committee (EAC)*

**Water Tower Cinema, 750 Montgomery
Glen Drive, Montgomeryville, PA 19446**

April 22, 2025 | 6:00 PM

*Join us for an evening of learning and discussion!
