

Dear Community Partner,

Montgomery Township is excited to offer you the opportunity to sponsor our 20th Annual Autumn Festival on Saturday, October 15th, 2022 at 12pm-5pm.

This event attracts thousands of participants to William F. Maule Park at Windlestrae for a community celebration filled with musical entertainment, food, fall crafts, police/fire demonstrations, amusements, and more. The festival is a true example of neighborly camaraderie and pride.

Sponsorship of the Autumn Festival allows your company to broadcast your support of our staple community event to thousands of attendees from Montgomery Township and its neighboring municipalities. Your support goes directly to the costs of conducting this family-friendly event.

We offer several tiers of sponsorship, which are detailed on the chart below.

Together we can ensure the Montgomery Township Autumn Festival makes a grand return for its 20th Anniversary!

Thank you for your consideration. Please reach out to Angelina Capozzi at ACapozzi@montgomerytwp.org or 267-649-7200 if you have any questions about this opportunity.
